Task

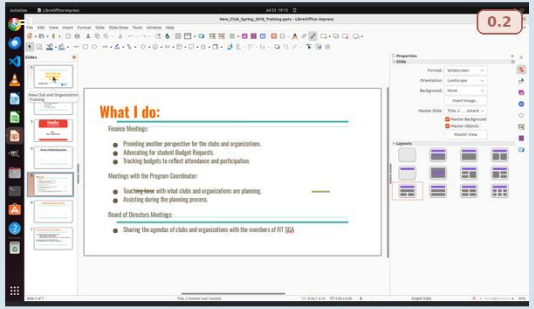

I am checking our soccer club's to-do list for the last semester and adding strike-through sign on the line we have already accomplished. Could you help me add a strike-through on the first and second line?

Reference (partial)

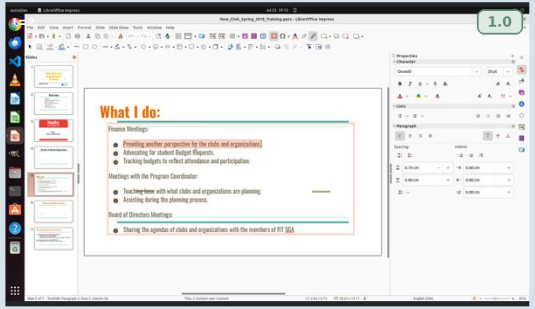

The first line of text in the list (identified as 'Providing another perspective...') must have strikethrough formatting applied. The rest of the document content and formatting should remain unchanged.

G1 Apply strikethrough to the first line

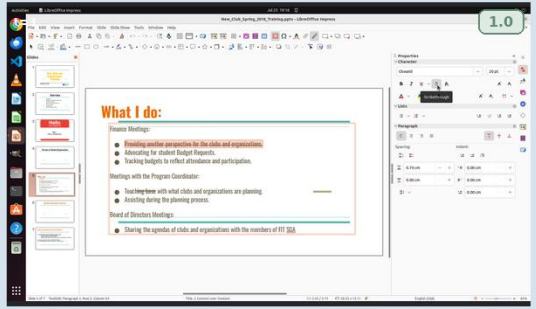

1.0 Useful

Pause execution for 0.1 seconds to allow the UI to stabilize before interacting

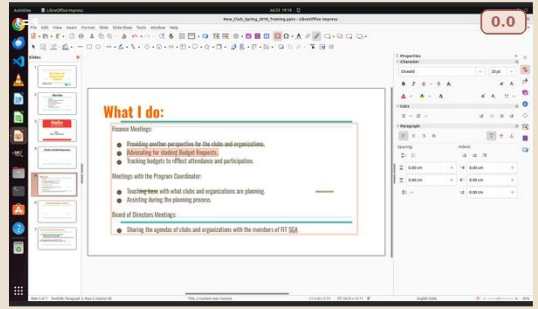

triple-click Providing another perspective...

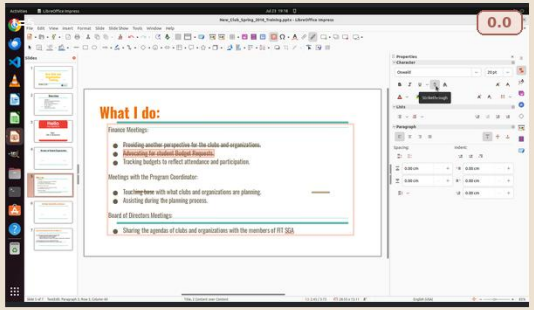

Apply strikethrough formatting to the selected text by clicking the strikethrough button in the Properties panel

G2 Apply strikethrough to the second line

0.0 Harmful

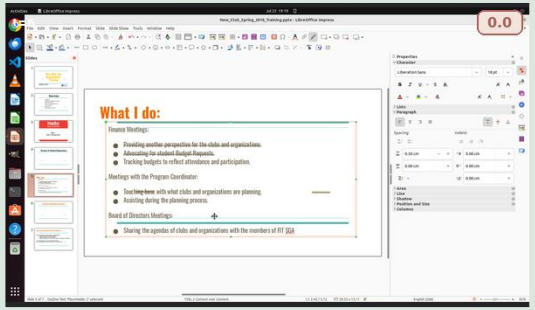

triple-click Advocating for student Budget Requests.

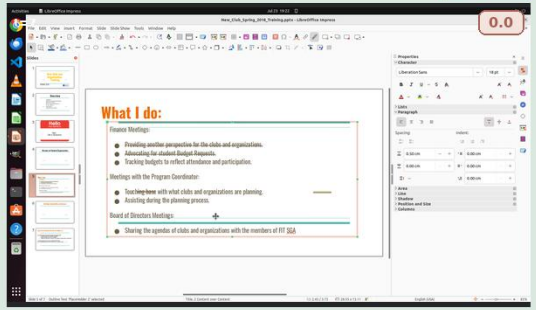

Apply strikethrough formatting to the selected text by clicking the strikethrough button in the properties panel

G3 Deselect text and finalize

0.0 Harmful

Click on an empty area of the slide to deselect the text box and finalize the formatting
